## **RULES OF THE TROPHY**

### Electrons d'Or

The **27<sup>th</sup>** Electrons d'Or ceremony will take place on **Thursday, November 27, 2025**, at the **Espace Hamelin, 17 rue de l'Amiral Hamelin 75016 PARIS**.

Created by **Electroniques magazine**, the Electrons d'Or aim to encourage and promote innovation in the field of electronic research, highlight the electronics sector, and draw public attention to the value chain of professions in the electronics industry.

The Electrons d'Or awards :

- Electronic innovations for the **components sector** ;
- Innovations for **applications in the industrial electronics, automotive, military and aerospace sectors** ;
- The **best start-up**.

## **CHAPTER 1 : APPOINTMENTS**

### **Article 1**

The Electrons d'Or Trophy jury is nominated for their reputation and expertise, who will in turn select the nominated teams in each category.

## Article 2

An Electron d'Or will be awarded this year in each of the following categories :

1. Digital semiconductors
2. Analog semiconductors
3. Passive / Electromechanical (relays, connectors, PCBs, etc.)
4. Sensors
5. CAD / Measurement / Tools
6. Industrial electronics
7. Automotive electronics
8. Military and aerospace electronics
9. Start-up of the year

## Article 3

In each category, the teams consist of a minimum of **3** people and a maximum of **8** people.

Each team must send its complete application(s) by **22 September 2025** at the latest to the following address : **electrons.dor@electroniques.biz**

The conformity of the application files will be examined by **Electroniques**.

## Article 4

The criteria used in each category will be as follows:

- a. Technical challenge
- b. Advantages over existing solutions
- c. Impact on employment and development of the electronics industry (possibility of spin-offs, factory construction, etc.)
- d. Impact on sustainable development

## Article 5

The innovations nominated for the Electrons d'or Awards must be available to the public for series or sample deliveries by **31 July 2025** at the latest.

## **CHAPTER 2: DESIGNATION OF AWARD WINNERS**

### **Article 1**

All technical information provided by candidates to the jury will be confidential and may not be divulged or published without the express permission of the persons concerned. The members and secretariat of the jury are bound by professional secrecy

### **Article 2**

In October, an independent jury composed of researchers, academics, designers, and entrepreneurs reviews the applications in each category and selects the winners. The editorial team of Electroniques will decide between any potential ties.

### **Article 3**

The jury, which is entirely sovereign in such matters, reserves the right not to award a Trophy if it considers the quality of the entries to be inadequate.

It also reserves the right to create specific references if it deems this necessary.

## **CHAPTER 3: THE AWARD CEREMONY**

### **Article 1**

The Electrons d'Or awards will be presented officially on the evening of **27 november 2025** organised by Electroniques

A diploma for each member and the Trophy for the team will be officially presented to each winning team.

The Electrons d'Or Trophy remains the property of the winning team and may be used to promote the winning product or the company.
